## Trinity Messenger

---

*Luke 13:18-19 Then Jesus asked, "What is the kingdom of God like? What shall I compare it to? It is like a mustard seed, which a man took and planted in his garden. It grew and became a tree, and the birds perched in its branches."*

## The Month In Review

Thank you for making the first month of our newsletter a success! The goal of this newsletter is to help you stay up to date with the happening in our congregation. You will notice that Holy Trinity's website has been refreshed. We have made changes so that you can easily find information. More importantly, since the website is often the first thing noticed by visitors and people desiring more information about us, we wanted to make that information more easily accessible. This has allowed us to reduce the repetitive information in the newsletter.

We have started frequent posts on Holy Trinity's Facebook and Instagram pages. A combination of daily readings, psalms and happenings at Trinity are among the topics posted. If you haven't already please like, follow and share our pages. It is an easy way to share information about our church with our family, friends and community.

We recognize that emails and websites are not ideal for everyone. Our next steps are to optimize what is printed weekly and provided at worship services and/or mailed to those without email addresses. We certainly appreciate your patience as we are still ironing out some of the kinks in this process.

Our hope is that with the streamlined communication, our congregation AND our community have the information they need when they need it. If you have suggestions, feedback or questions, please do not hesitate to reach out to Natale Benigno or anyone on the Communications Committee.

## More Info For You

### Camp Donations

At our Ministry Fair on February 6, the congregation was presented with 23 potential projects in which we could participate to answer our call to serve God and our community. The project that received the most support was to send a child who would not otherwise be able to afford it to Camp Kirchenwald. Studies show that adults who attended church camp as a youth are more than 3 times as likely to remain affiliated with a religious

This is our opportunity to show hospitality to the Ephrata community. We are very fortunate to have this fine ensemble coming to our

community than those who never attended camp. A dedicated group from Trinity has been working to ensure that we can accomplish the goal of sending a child to camp this summer. This group has come up with some exciting ideas, and as we explore these plans, we realize that some are longer range plans, while some are plans that can be implemented immediately. To ensure that we are able to send at least one child to camp this summer, we are creating a donor appeal. We're asking interested members of the congregation to make a monetary donation of any amount to a camp fund. If you wish to support this effort, please put cash or a check made payable to Holy Trinity Lutheran Church in an envelope labeled "Camp Fund" and place it in the offering basket on the table in the back of the church. The cost to send a child to camp is \$550 - \$565. Please prayerfully consider how you can help. Thank you.
