June 2022 Issue 1

Come, Holy Spirit, fill the hearts of your faithful, and kindle in us the fire of your love.

June Stewardship Special Love INC of Lancaster County

Our mission is to empower, connect and support churches as they arise to transform lives and communities, In the Name of Christ. We partner with churches throughout Lancaster County to empower church volunteers to use their gifts and connect them with people in need to transform lives and communities. The primary ways we do this include:

Community Call Center

Run by volunteers, our community call center receives requests for help year-round. Love INC screens the requests and verifies the needs. We then work to connect the person in need, to a church volunteer who has the gifts to meet that need. In the event that we do not have a church volunteer or a church able to meet the need, we refer out to other community agencies.

Homes of Hope

Homes of Hope, a ministry of Love INC, is a transitional housing program offered to families with children who are currently experiencing homelessness. The program is a coordinated effort between Love INC, partner churches and community resources which provides short-term, temporary housing for 6-9 months. The program connects families with a mentor and budget coach to assist the family in working toward financial stability and self-sufficiency. We currently have 8 Homes of Hope located in 7 different Lancaster County school districts.

Elder Net

Love INC of Lancaster County's ministry for 67+ providing volunteer services for elders in Lancaster County. Common services include transportation, friendly visitor, simple home repairs, tech assistance and more. Love INC's call center receives the call from an individual in need and connects that person to a church volunteer, gifted to meet that need.

Volunteers Needed - Compassion Project

Holy Trinity will be participating in the Compassion Project through LOVE INC. during the month of July. This was previously called the Ephrata or the Manheim Project. The Compassion Project is a local mission outreach which provides tangible services to our neighbors in the name of Christ. What is at the heart of a Compassion Project? Jesus showed compassion to people and shared the hope of a relationship with Him. He connected with people where they were and built relationships based on compassion. Jesus set an example for us as we look to meet people where they are. The Compassion Project is designed to be a practical resource to the local church and Christian community to aide them in acts of compassion, and can be engaged in by one or multiple congregations. These acts of compassion create unique and exciting opportunities for relationships to be built and the gospel to be shared. Local families will submit requests to LOVE INC. for projects they need done in and around their homes. Based upon our talents we will be matched up with families to assist them. Please complete the [Compassion Project Volunteer Form](#) and return to Rob Gilbert or the office by **June**

19. If you have any questions, please contact Rob Gilbert.

Workshop: Understanding Loss and Grief During the Pandemic

The majority of us have suffered from grief and the feelings of loss that often accompany it at one time or other in our lives. How we approach and work through grief is unique to each of us as is what we are feeling. The Covid-19 pandemic, with which we are still struggling, has resulted in a variety of losses over which many of us continue to grieve. With this in mind, you are invited to participate in a workshop on **Saturday, June 11, from 10:00 AM – 12:00 PM** at Holy Trinity that will focus on loss and grief and is designed to help each of us identify the loss and grief we are experiencing and begin the process of working through these to find a healthier place in our lives. The workshop will be led by Suzanne Accardo, who is a local grief counselor, life coach, and yoga instructor. There is a sign-up sheet in the gathering area, so please sign up and include your email address and telephone number. We need to know by **June 8** if you are planning to attend.
