Stewardship Special Giving for October Milagro House

Our Mission: Milagro House provides education, housing and support services for women and their children who would otherwise be experiencing homelessness. Our vision is to prepare the women and children who come through our doors with the skills they need to break the cycle of homelessness and poverty and move from dependence to self-sufficiency. What sets Milagro House apart in our industry is the educational component to the program. Education is the underpinning of everything we do at Milagro House and is the catalyst for women moving from dependence to independence through meaningful employment at a self-sustaining wage.

Services Provided **Educational Services**

Women accepted into our program must be committed to pursuing educational advancement. The staff at Milagro House customizes each woman's program to meet her specific needs and interests. Milagro House offers two educational options for women in our program GED Program: Provides GED classes conducted by a certified teacher and volunteer tutors. Post-Secondary Programs: Works with staff to develop a post-secondary education plan and attend college and certification programs of their choice.

Residential and Support Services

Provides support through – Housing for women and children customized case management, individual and group counseling, parenting programs, life skills training, children's programs.

After Milagro House

After education, gaining employment and housing, case management staff continue to work with the families for their first year to help ensure their continued success. For additional information check their website at www.Milagrohouse.org

To help Milagro House you can use your Special Giving envelope during the month of October. Thanks in advance for your support of this program.
