Shepherding Our Siblings in Christ

Jesus, the Good Shepherd, displays for us through his ministry the important, life-giving task of caring for each other. We as Jesus' followers are called as well to live a life through which we care for our friends and neighbors with Christ-like love and commitment. Pastor Mark and Phyllis Doughty are working together to assemble a team of Holy Trinity Shepherds who will provide an extra connection to our church family for those who are not able, for a variety of reasons, to attend worship despite their desire to do so. In simplest terms, this would involve building a relationship with two or more church members, who are not consistently with us physically in worship, through monthly visitation, phone calls, card writing, and other forms of connection that may develop throughout the year. All that is required is a desire to share God's love as a friendly channel for others to their church family of which they remain a part no matter their circumstances. If you are interested in serving God and your faith community in this manner, please join us for a meeting **on Monday, September 15 at 6:30 PM** in the conference room of the church. If you have any questions, please speak with Phyllis or Pastor Mark.

September Stewardship Focus: Lancaster Food Hub

Founded in 1947 as the Lancaster County Council of Churches, the Lancaster County Food Hub has been serving neighbors in need for nearly 80 years. What began as a grassroots, faith-based effort to provide food, clothing, and shelter has grown into a trusted community anchor, rooted in compassion, dignity, and hope.

Today, the Food Hub continues this important mission by meeting basic human needs through free food, clothing, and homeless outreach services. Their team works to foster respectful relationships, connect neighbors with supportive resources, and create a welcoming space for all who come through their doors.

Guided by a vision of a Lancaster County where every individual is supported and empowered to live with dignity and stability, the Food Hub provides not only immediate relief but also pathways to long-term resilience and self-sufficiency. Through direct services, strong partnerships, and compassionate care, they uplift individuals and families while strengthening our whole community.

Sue will be on vacation from October 3-October 17. This Weekly Messenger will be scheduled to go out those weeks before she leaves. So...if you want anything in the Messenger those weeks, please have the articles/announcements to her by Monday, September 29.

Elevator Renovation Contract Signed

Holy Trinity has signed a contract with the Otis Elevator Company to renovate the elevator. The contract is in the amount of \$179,500. In addition, Holy Trinity will do preparation work that is estimated to cost at least \$20,500. The total cost for the upgrade will be at least **\$200,000**. Otis will place the order for the parts needed. The Company anticipates 2-3 months before all the necessary parts are secured. The Company also estimates the installation work will take 7 weeks. This installation work by Otis may be divided into two parts.

Given the length of time needed by the company for this work and the congregation's desire to have an operational elevator for Advent, Christmas, Lent and Easter, the project may not be completed until sometime in 2026.

More information will soon be available about the special appeal for funds for this project. There is now an option available on our online giving portals to make contributions there designated for the elevator renovation.

Updates on the renovation work will be given as the work schedules become available. Information on when the elevator is **not** available for use will be publicized, including when worship services will be held in the social hall. Also, regular updates on contributions for the project and total costs will be published.

The Evangelism committee is once again offering a hot dog meal to people during the **evening of the Ephrata Fair parade**, September 24. This is in place of the Thursday community meal that week. We have secured buns, cookies, and snack crackers from Pepperidge Farm but we need hot dogs. We are asking the congregation for donations of hot dogs for this event. The many families who attend the parade are always very thankful for this free meal with free will donation. Heather Zimmerman will also be setting up a booth for the children and would love to have you come and help put fun temporary tattoos on them with her. Please put your hot dogs in the refrigerator downstairs by Wednesday, September 24. For further questions, contact Peggy Dean, Winnie Gerlach, or Elaine Sernoffsky.

Help Wanted: Bergstrasse Community Clothing Closet

Bergstrasse Community Clothing Closet is open for all people in need of clothing and other household goods. Entrance is accessible via the door off the lower parking lot.

Hours are 12 – 2pm.

Schedule: September 20th

Donations: Currently there is a continuing need for men's pants, shorts and shoes. There is always a need for children's clothing. All clothing in good shape is accepted. Donations may be dropped off directly at Bergstrasse when the Community Clothing Closet is open or in the box at the back of the narthex in Holy Trinity. Thank you so much for sharing what God has given you! Your generosity is helping those in need in our community!

Please note new donation policy: due to limited space household items can no longer be accepted, only clothing and shoes.

Volunteers: sort clothing, hang it and tag it by color to keep track of what is moving and what is not, and greet shoppers at the courtesy desk. Shoppers check in and specify how many people they are shopping for and what items are of particular interest. Volunteers meet at 6-7:30pm on the Friday before the Closet is open to sort donations and get them ready for the next day. When the Closet is open, volunteers are needed from 11:30 – 2:30 on Saturdays and Sundays. You do not need to be there the entire time to volunteer – whatever time you have available within those times is fine.

If you have further questions, you may either stop by the next time the Closet is open and have a look around or call/text Pattie Martin at 717-344-1347.
